MATT HUDSON

Matt is an accomplished rhythm and lead guitarist having performed in various bands throughout Australia, UK and Spain.

Matt is passionate about delivering the best possible music experience for the audience at every venue and has many years of experience playing in tribute and cover bands.

Returning to Australia in the mid 2000's, Matt had a stint writing, recording and performing original music as well as other studio work.

Matt is currently working in multiple music projects in and around South East Queensland.

GUILHERME ARALDI

Gui (or Gee) is a seasoned bass player with over 10 years of experience in the music industry. Originally from Brazil, he embodies the rhythm and groove of his homeland.

Gui has many years experience playing in a pub rock covers bands and has held down the low end for a prominent Red Hot Chili Peppers tribute band in Brazil.

After moving to Australia, he quickly connected with like-minded musicians and formed Funk Knuckle, a Funk Rock band that gained local recognition by winning the Passport to Airlie competition, sharing the stage in Airlie Beach with acts like Dragon, Ross Wilson, Ian Moss and Skunkhour.

THOMAS SCHAAB

An exceptional drummer with over two decades of playing and recording experience.

Initially studying the drums with a Latin and Funk focus Thomas has gigged and recorded with a variety of bands in Europe.

Content to mostly play underground club gigs for metal heads, he got a taste for a more commercial approach when opening for an internationally touring Symphonic Metal band in England, and again headlining a local music festival in Germany playing Crossover and Nu Metal.

Soon after arriving in Australia, Thomas joined up with Matt and Gui and was introduced to the Aussie brand of Rock, playing originals in Hardox.

Thomas brings a combination of great skill and energy to the rhythm section of the band and forms an epic combination with Gui in the engine room to drive the songs and keep the crowd moving.
